LEARN LOCAL AWARDS 2021 FINALISTS ANNOUNCED

Mariam Yacoub Ibrahim has been named as a finalist for the 15th annual Victorian Learn Local Awards, recognising excellence in the adult community education sector.

A pool of 25 finalists have been named across eight categories, whose achievements illustrate how adult and community education changes the lives of Victorians. Additional categories at this year's event recognise innovation, leadership and local partnerships.

The finalists represent the diversity of skills and training provided by the sector across different vocations in all parts of metropolitan and regional Victoria, including Mildura, Horsham, Ballarat, Shepparton and Gippsland.

The prize money totals \$84,000, with organisation award category winners receiving \$10,000, individual category winners awarded \$5,000 and category finalists given \$1,000.

The Learn Local Awards is presented by the Adult, Community and Further Education Board and shine a spotlight on the industry and its learners, trainers and leaders.

Learn Local providers offer a unique, community-based learning option, with a focus on the individual needs of learners. They are particularly suited to adult learners of all ages looking to develop their digital, literacy, numeracy and employability skills for study, work and life.

There are more than 240 not-for-profit community organisations registered as Learn Locals across Victoria, which deliver pre-accredited training and other programs to nearly 30,000 people each year.
